2. These papers relate to the question of revival of the guarantees in respect of apptts. to the I.S.E., the B.S.E. and the B.S.E.S., given to the College of Engrg., Poona, and the N.E.D.Civil Engr. College, Karachi. In his letter under disposal, the Printipal, College of Engrg., Poona inquires whether it is possible for Govt. to restore the guarantees either in whole or in part.

I.S.E.

3. In accordance with the guarantee given to the two Engrg. Colleges as per G.N. No.6383, dated the 27-12-24, one direct apptt. was made to the India-recruited branch of the I.S.E. But that guarantee was definitely withdrawn vide G.R.No.2236/27, dated the 4-9-29, and recruitment to the I.S.E. was stopped from the Engrg. College from 1928. The question of the formation of the B.S.E. Class I, which will replace the existing I.S.E., is at present under consideration. Recruitment to the new service is proposed to be made partly by direct apptt. on the result of a competitive examn. to be held by the future progl. Public Service Commission and partly by promotion (on the advice of the Provl. P.S.C.) from the existing B.S.E. and the B.S.E. Class II (when formed.).

B.S.E. and B.S.E.S.

4. The college of Engrg.,,Poona, and the N.E.D. Civil Engrg. College, Karachi, were given the following guarantees in respect of apptts. to the B.S.E. and B.S.E.S. every year:-

The above apptts. were made against the normal rate of recruitment to maintain the cadre strength of each service. Owing to the reorganisation of the P.W.D. and the consequent retrenchment, the guarantee given to the College of Engrg., Poona and the N.E.D. Civil Engrg. College, Karachi, of direct apptts. to the B.S.E. and the B.S.E.S. was suspended, pending further orders, with effect from the year 1932, i.e., the students who had entered the Colleges in June 1932 had no guarantee of apptts. in the P.W.D. and the last batch considered for such apptts. was that of students who passed the examn. in March 1934, vide G.R. (P.W.D.) No.2484/27, dated the 6-6-32, and the notes underlying it. Please see * in this connection para.5 of the letter under disposal from the Principal, College of Engrg., Poona, agreed to by the D.P.E. The question of the separation of the cadre of the existing B.S.E. between (new) Bombay and Sind and the formation of the new B.S.E. Class II for Bombay are at present under consideration. As regards the B.S.E. Class II, recruitment is proposed to be made (with the advice of the Provl. P.S.C.) partly by direct apptt. under a guarantee to be given to the College of Engrg., Poona, and partly by promotion (on the advice of the Provl. P.S.E.) from among the members of the B.S.E.S., permanent

or tempy. Supervisors and tempy. Engrs. Under the guarantee to be given to the College, a minimum of 3 apptts. is proposed to be made annually from among the students of the College who have passed the Bombay University Examn. for the degree of B.E. As Sind is now a separate province, no guarantee is to be given to the N.E.D. Civil Engrg. College, Karachi.

5. In the circumstances explained above, the D.P.I. may, if approved, be informed that the question of the reorganisation of the Engrg. Services in the P.W.D., which includes, inter alia, the question of the restoration of the guarantee given to the College of Engrg., Poona, is at present under the consideration of Govt. The E.D. may see the papers n.o. before the D.P.I. is so informed.

2. B.S.E. Class I .

Please see 'A' p. 5.

It will be observed that the question of reviving the guarantee to the College of Engineering, Poona, does not arise. The Provl. P.S.C. will be interested in the question of recruitment (from all sources) to this service.

3. B.S.E. Class II

Please see 'B' p.7.

It will be seen that the question of reviving the guarantee to the college has been considered and that it is probables that a new guarantee will be given in due course. The Provl. P.S.C. will be interested in the question of recruitment (from all sources) to this Service.

4. B.S.E.S.

In the papers dealing with the questions of the formation of the B.S.E. Classes I and II the question of recruitment to the B.S.E.S. has not been discussed in detail primarily because this service is unaffected either by the inauguration of the C. of I. Act 1935 of by the separation of Sind.

It has been decided, however, that the question of recruitment to the B.S.E.S. shall be excluded from the purview of the Provl. P.S.C.

It is necessary that the question of recruitment to the B.S.E.S. shall be considered in conjunction with the question of the reorganisation of the Engineering Services of the Bombay P.W.D.

I submit that recruitment to the B.S.E.S. might, with advantage, be effected on a similar basis to that proposed in the case of the B.S.E. Class II vide pl. 'B' p.7. The direct ~~xxxxxxxxx~~ recruits could be obtained by means of a guarantee (on the lines of 'C' p.6) to be given to the College of Engineering, Poona, and the promoted recruits could be obtained, as at present, by means of selection by the Superintending Engineers.

This matter might, ~~xxxx~~ perhaps, be dealt with further separately.

5. In these ~~six~~ circumstances I suggest that action be taken as proposed in para. 5 of the office note. at p.5.

2. The guarantee given to the College of Engrg. Poona, etc., for apptt. to the B.S.E.S. was ~~xx x~~ suspended with ~~g~~ effect from the year 1932 i.e. the students wh entered the College in 1932 had no guarantee of apptts in the P.W.D. and the last batch considered for such apptts. was that of students who passed the exam. in March 1934 - vide G.R. No.2464/27, dated the 6-6-32. The guarantee was ~~xxxxx~~ revived with effect from the year 1941. Mr. M.L.Shivalkar requests that the students who ~~xx~~ topped the lists in the years 1935 to 1940 ~~xx~~ and would have obtained the guaranteed apptts. had the guarantee been in force, should be given spl. consideration when any apptts. are ~~xx xx~~ made of pt. overseers. He says that similar concession was granted in the case of apptts. made to the B.S.E.

3. The Principal, College of Engr., Poona, has submitted a statement showing the names of those ~~xxxxxxx~~ Diploma Holders in Civil Engrg. whom would have secured the guaranteed apptts. to the B.S.E.S. The name of Mr. Shivalkar is ~~xx~~ not included in the list. He would not have therefore secured the guaranteed apptt. The Principal, College of Engrg. Poona, does not know what the persons mentioned in the list are doing. Persons mentioned at serial Nos. 1,4,5,7 & 15 are already in service as pt. overseers. Though the guarantee to the B.S.E.S. was suspended, recruitment to that service was not stopped. Such was not the case with the B.S.E. The Diploma Holders had thus a chance of getting into t B.S.E.S., if they so desired. It is for consideration whether the draft put up may issue.

Subject:- Guaranteed apptts.

With reference to his letter No.9/W.S., dated the 18-10-41, the Principal, College of Engrg., Poona, is informed, with compliments, that though the guarantee to the B.S.E.S. was ~~xxxx~~ suspended, recruitment to that service was not stopped as in the case of the B.S.E. The marginally noted persons mentioned in the list are already in service as pt. overseers. As the remaining persons had a ~~xxxxx~~ similar chance getting into the B.S.E.S., it is not considered necy. to ~~xxxx~~ give perferential treatment to them. Mr. M.L.Shivalkar should therefore be informed that the request made by him cannot be granted.
